FINISH THE STORY

A few Southwind residents participated in an activity called Finish the Story. This is how it goes. One resident had to start off the story. Then the other residents had to each add a sentence until the story came to an end. They all came up with some interesting sentences. The outcome was fantastic and they wanted to share their story with everyone. The story is located on page 3. We hope you enjoy it as much as we do!

SOUTHWIND SENIOR LIVING SUITES WOULD LIKE TO THANK SUPER 1 FOODS OF CROWLEY FOR DONATING OUR RESIDENTS' BIRTHDAY CAKES. WE APPRECIATE THE BEAUTIFUL AND DELICIOUS CAKES THEY MAKE FOR OUR DEAR RESIDENTS. TO ORDER YOUR NEXT CAKE FROM SUPER 1 FOODS, CALL 785-0010 OR STOP BY THEIR STORE ON NORTH PARKERSON.

MY SWAMP NIGHTMARE!

One foggy afternoon, I was walking in the swamp, wondering about all the creatures that lived there. As I looked around, guess what I saw—a big ole alligator with its mouth wide open! I was so scared of that gator that I started running and ran straight into a tree limb. I knocked myself clean out and fell into the water. As I was coming back to my senses, a water moccasin swam past me and distracted the gator. I quickly got up and started looking around. I saw a boat and climbed into it. But there were no paddles, so I got back out and started pushing the boat down the stream. As I was pushing the boat, an eel swam up my pants leg. I did a jig and jumped back into the boat. I was familiar with this swamp and breathed a sigh of relief when I heard a noise ahead of me. In the distance, I heard traffic on a busy highway. In excitement, I used my feet to paddle the boat in that direction. As I reached the highway, I started to flag down vehicles. A car finally pulled over and stopped right next to me. When the driver got out of the car, guess who it was. It was good ole Papa Noel, a.k.a Santa Claus! He was on his way to the Acadiana Mall to visit and take pictures with all the children and could not be late. So, he could not give me a ride home. He told me that his friend Boudreaux could take me home, though. When I asked who Boudreaux was, he told me to turn around. When I turned around, I seen that big ole gator that I was running from!

Merry Christmas in July, Sha!
