STARTING A NEW CHAPTER

It's hard to put into words how much Southwind Senior Living Suites residents, family members and staff have meant to me over the past 17 and a half years. I have learned so much over the years and am so very thankful for my time here as Executive Director. Each and every resident who has ever lived with us holds a special place in my heart. I would always describe to new employees that "it's like having 32 Grandmas and Grandpas with you every day!"

Some of my fondest memories include our many Family Nights, our over-the-top parties at the Rice Festival Building with our Corporate Office and sister facilities, our very own movie that we wrote and starred in, the many years that we made & decorated gingerbread houses and sugar eggs from scratch and who could forget the field trips, lunch outings, games, parties and fun competitions that we had with our residents (I was the Queen of the Mummy wrap game, just ask any of my resident partners!).

Thank you to each of our residents and family members, current and former, for allowing me to be a part of your lives. Being able to care for our residents has been an honor and a privilege. I will cherish the wonderful relationships and friendships that I have made with so many of you.

I am looking forward to my new role as a stay-at-home Mom and wife for my family. My two children, who were both born during my time at Southwind Senior Living, are in high school now and I will cherish the extra time spent with them before they move on and begin their lives as adults. They have grown up visiting with and spending time with the residents and staff of SWSL and they are blessed to have done so.

I pass the torch, or keys in this situation, to Christie Ashby who will be a great Executive Director for Southwind Senior Living Suites. She is kind and caring and is dedicated to enriching the lives of our residents. I know that I leave you all in good hands with Christie and the support of our amazing team of Directors and staff of SWSL.

With love, Jill

FOR THE BIRDS!

In honor of National Bird Day, residents had the opportunity to create homemade bird feeders. By slathering peanut butter on a pinecone, and rolling it in cracked corn, these ladies and gentlemen prepared a feast for the birds!

THANK YOU SUPER 1 FOR PROVIDING A
BEAUTIFUL AND DELICIOUS BIRTHDAY CAKE
FOR OUR RESIDENTS' BIRTHDAYS!

GONE FISHIN'

Residents really get a kick out of our in-house fishing game. It brings a little friendly competition and a lot of laughter to Southwind Senior Living Suites. The fish are always biting, and everyone can enjoy this game rain or shine!

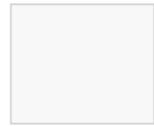

OUR MISSION

Our mission is to operate and manage the highest level of quality independent and assisted living communities, providing superior service and unmatched value where residents and their family members are shown compassion, understanding, respect, dignity and caring support, and team members feel a sense of belonging.
