How Does Your Garden Grow?

The activity department, along with help and suggestions from residents, recently started a vegetable garden. We can not get enough of it! Residents enjoy coming outside to see the progress of how the vegetables are growing, and our green thumb, Mr. Clyde, likes to water our plants.

Craft Corner

Residents got crafty making this fun summertime butterfly with pipe-cleaners, beads, and clothes hangers. Everyone loved

how this project turned out. It was one of their favorites!
