Let's take a moment to celebrate the true spirit of fun and connection at The Acadian—the exceptional Activities Department! At the heart of it all is Bethany Comeaux, our incredible Life Enrichment Director, who consistently brings energy, creativity, and enthusiasm to everything she does. Her passion for making every moment special is evident in every event, activity, and gathering that takes place. Whether it's coordinating an exciting outing or a fun themed event, Bethany always knows how to bring joy and create lasting memories.

Bethany's unique ability to connect with everyone and infuse every event with positivity and excitement truly makes her the driving force at The Acadian. She's not just the organizer of activities—she's the creator of experiences, the source of laughter, and the person who helps bring people together in the most meaningful ways. Without her, life at The Acadian simply wouldn't be the same.

Here's to Bethany—our champion of connection, our curator of fun, and the one who fills our days with endless excitement.

Thank you, Bethany, for all the wonderful things you do to make The Acadian a brighter, happier place for everyone!
